Dear Manny,

It has been a long, long time since you said you were going to talk to Dick when he returned to town and they get in touch.

I've not been able to get to NYC since then. I'm coming up this coming week. Until last night my schedule was not fixed. However, I'll be there part of Wednesday afternoon until Friday afternoon. I'll be taping a TV show and doing several radio shows on my new book on the King assassination and the Ray case. FRAME-UP (pre-pub review enclosed).

I'm taping a radio show at 8 Thursday, and I'm free Friday, so either morning now looks best for me. As soon as I'm free I'll give you a call.

I'll be at the Roosevelt.

I've the additions to the file set aside to give you.

Sincerely,

Harold Weisberg
